

LG 1010 Battery Replacement

How to replace a battery in the LG 1010 cellular phone.

Written By: Nicholas Schmidt

Step 1 — Battery

- Turn off the cell phone and place face down on a flat surface.

Step 2

- While sliding the gray tab up, lift battery up and away from the cell phone.

Step 3

- Remove battery and set aside.

To reassemble your device, follow these instructions in reverse order.
